**Accredited by NAAC With 'A' Grade**

Gandhinagar Campus, Rushikonda, Visakhapatnam-530 045, A.P., India

---

## GUSAC CARNIVAL 2015

GITAM University is a well established Institute which has been nurturing thousands of students every year, helping them to emerge as polished professionals. Located amidst green hills, with campus space of 100 acres the University has 8 institutes with over 15000 students who are constantly engaged in co-curricular and extra-curricular activities broadening their knowledge base and developing a global perspective. The university also has a world class data centre with advanced networking and security systems making it one of the biggest cultural and knowledge hub of the country.

GUSAC (GITAM University Science and activities center) is the student body of GITAM founded in the year 2011 to provide a platform for budding professionals. Our motto that keep us inspired and motivated states "Its not what you know, its about what you do with what you know".

One of the most awaited annual events of the university, the GUSAC Carnival never fails to amaze everyone with its multitude in all the best ventures. With something awaiting each individual, this is a brilliant platform that serves for a cause on levels both intellectual and ethical. It has been and shall always revive your senses.

This time we are coming up with the theme "DIGITAL INDIA ".Technically, an initiative of the Govt. of India (NeGP), this project aims for every citizen to avail any and all services through the web, and includes "making India a digitally empowered country". This undertaking aspires to deliver digital services, establish a digital infrastructure and expand the digital literacy of the people. This year, the GUSAC team is resolved to bring India onto the grid, by bringing all its citizens under the umbrella of digital community. As part of the program , the team is set to attend to a rural village in order to spread awareness by providing computers and internet services. This aspires to update digital education in rural areas, and taking a step closer to the intended target. Although our individual digital footprints may not account much, the goal can be achieved through the combined efforts of the community.

### Events

**Technical Events:** All the technical events which are going into Carnival2015 are designed to help India into a Digitally Developed country.They also give an insight to the upcoming technology into the market.

**Non-Technical Events:** "All work and no play makes Jack a dull boy" , therefore we also have non technical events aiming at the overall development of the student.

## **Workshops**

As this year's Carnival is going to be a step forward to make India a Digitally Developed country, all the workshops included into the carnival are quality enhanced and aim in bringing out the practical approach of the student.

## **Guest Lectures**

The Guest Lectures are one of the most important events of the carnival. As the advice from a pioneer in the field is sure to inspire thousands of young creative minds, leading India to a greater national.

## **The Film Festival**

The university has attracted many celebrities in the cinema field. This event never fails the expectations of both the pioneers and the audience. This event is one of the biggest attractions of the carnival as there are many budding cinematographers in the younger generation.

## **Literary Fest**

The literary fest attracts all the audience including the ones who would like to just sit in their room with a book. This event tickles the brain cells with many quizzes, arcade and mind games. This is sure to increase a little gray matter. It has also attracted a few young leading authors in India.

The GUSAC Carnival is the biggest fest of the campus that pulls in audience from all kinds of fields. It instills a sense of unity and creativity in the same dish. It's the most awaited event in the academic year.

## **Cultural night**

With the best performances and eye feasting stage show carnival night is going to be rocking this time.
